NEW BUSINESS:

Grant application with Franklin Savings Bank – Committee members worked on the grant application with FSB. This grant request will be used to help defray the costs for the Maurice P Wheeler Park revitalization project. The revitalization goals are to improve the existing park with a high priority of addressing safety issues identified by the 2011 insurance inspection of the park.

Areas of high importance included in grant application:

- Replace surfacing material under and around all playground equipment
- Repair & improve seesaws
- Correct hazards identified in insurance inspection
- Repair swing sets hardware
- Correct drainage issues
- Fill in holes in low, uneven outfield area as well as the parking and walking areas
- Re-purpose bike park area to include multi-uses

Pictures and quotes have been taken to include with the application.

Application completed Desiree L. Mahurin will put the application together with picture and hand deliver it to Franklin Savings Bank.

Meeting adjourned 7:45 pm

Respectfully submitted by: Desiree L. Mahurin
