Hill Benefit Fund Grant has been approved and the \$5,000 should be sent the beginning of July. These funds will be used toward the drainage correction.

The electricity has been installed at the park. The committee approved the installation of additional electricity to be installed near the basketball court side of the park also.

Music Festival

A music-fest is being planned by private individuals to benefit Dean Wheeler, Road Agent of Hill who has been diagnosed with cancer. This is not a Town sponsored event, but the parks & recreation committee has been asked if they would be able to offer volunteer support during the event. The committee members present have offered to assist in any way they can for the event.

The event is planned for September 15, 2013 in the Maurice P. Wheeler Memorial Park. Three bands have been booked for the event: King Chrome, Uncle Steve's Band and Express Revival. Plans are being worked on to provide food at the event also. There will be an entry fee charged and all proceeds will go to Dean Wheeler. Desiree L.
