

## HILL PLANNING BOARD

### Public Notice

#### Public meeting for consideration of a Lot Line Adjustment

A minor lot line adjustment is proposed whereby approximately 0.95 acre of land will transfer from R03 Lot 38 owned by Peter S. Thompson to R03 Lot 34 owned by Mary M. Thompson Real Estate Trust Agreement. The current lot line traverses an open field. The proposed lot line will mostly follow an existing stone wall. All lots conform to town zoning and no new buildable lots will be created. Both lots are in an area that is zoned rural residential and have frontage on Murray Hill Road.

The proposal will be submitted on September 21, 2017 at 7:00 p.m. at a meeting of the Hill planning board in the Hill Library. Upon a finding by the board that the application meets the submission requirements, the board will consider the proposal immediately afterward. Should a decision not be reached at the meeting, this application will stay on the planning board agenda until such time as it is either approved or disapproved.

This will be a public meeting and all members of the public are welcome to attend. NH RSA 676:4e(1) does not require a public hearing for minor lot line adjustments, but comment from abutters and members of public will be allowed at the discretion of the planning board.
