**Fire Dept:** Deanna Ford no report

**Highway Dept:** Dean Stevenson reported that the road bans will be going on this week. The springs on the 550 need to be replaced and Dean is going to take it Finnie Welding in Franklin for the repairs. Franklin uses them for a lot of their work on the city vehicles. Robert Dupuis asked if Finnie has insurance in case of a fire while our equipment is there being repaired. They are working on fixing the paved roads by using dirt to fill the potholes and the residents are glad. Cory Corliss is working out great. Dean likes the fact that he can use the equipment without a lot of training. Cory comes to us with experience.

**Police Dept:** Chief Williamson is working on a community outreach program for the elderly population. This program would help in case there is an emergency with the resident and will give them who to call in case of an emergency.

**Town Clerk/Tax Collector:** Shelly Henry no report but will be on the schedule for March 17, 2020 meeting
