PUBLIC SESSION:

Parks & Recreation came in to discuss the memory tree for Michael Brady and the dedication, the painting of the flag pole, and other miscellaneous items.

The first item was the discussion was of the dinner plates, cups and saucers that was used for previous dinners and gatherings. December said that there is a quite of few of them and she will get a count and email it to Lisa at the office. December mentioned that Desiree is interested in purchasing them. Robert Dupuis suggested reaching out to the Historical Society first to see if they would like them.

The planting of a memory tree for Mike Brady who was a Selectmen for many years and was involved with many boards in the town. Originally, we thought a nice apple tree would be nice located where the old maple tree was before it fell down. After some discussion with Parks and Rec, we decided that a flowering crab tree would be nice. Shaun Bresnahan said that this type of tree would probably not survive in that location at the pond because it is to shaded. They have decided to place the flowering crab tree near the gazabo and Shaun will assist with this. The tree will be dedicated with a plaque on Old Home Day.

The Victory Pond area looks very nice. A big thank you goes to Karen Welch and the team for dredging the pond and spreading the loam from the pond. There are still more things to be done before Old Home Day. JoAnne Irving is going to check with a friend who will be splitting up her Hosta bed and is willing to donate them. A suggestion was made to place them from the road to the new stairs that were donated by Lowe's at the last Old Home Day. This would make a nice walkway to the monument park.

Painting of the Flag Pole last time was done Joe Mahoney and Kenny Magoon. We will need to coordinate this with Robert Schulte, Joe Mahoney and Parks and Recreation. Lisa Seymour will

reach out to Robert Schulte to see what he has for free time. When we are ready to paint the pole, Mary Lou Magoon would like to help because it would mean a lot to her and Kenny. Lisa Seymour has a new flag that was flown over the US Capital to replace the tattered and torn one that is currently flying over monument park. Robert Dupuis will take the old flag the Franklin American League for disposal.

There was some discussion on the disposal of trash on Old Home day. At the last Old Home Day, the bags were just thrown on top of the dumpster and the highway crew had to pick up the trash that was strewed all over the place from the animals. The Transfer Station will be open until 4:30 that day however, we might want ask them to leave open until after the event has closed.
