

Town of Hill
Planning Board Minutes
15 April 2021

In attendance: Bob Helmers, Tom Whitman, Bob Dupuis, Marshall Bennett

Excused absence:

Public: None

Meeting opened at 7:01

Mr. Helmers made a motion to approve previous minutes, extending back to October. Mr. Whitman seconded. Unanimous approval.

Driveway permit on class VI road briefly discussed. Applicant wishes to operate gravel pit at site. Chair (designate for driveway permits) informed applicant that they will need to obtain special exception and excavation permit for a gravel pit. Driveway application will remain open until such time as applicant has public hearing for special exception and excavation permits.

Chair disseminated selectmen's board response to comments made by Mr Estes of ZBA.

Chair distributed copies of town excavation regulations. The regulations were recently converted from paper to an electronic document. Chair asked board members to review and consider amending the regulations.

Meeting adjourned at 7:30 p.m.
