Town of Hill, NH
Zoning Map of 1990
MAP A

This is a technical drawing of a residential subdivision, likely a plat map. The drawing shows numerous lots, many of which are numbered in circles. The lots are arranged in a grid-like pattern with some irregularities. A large, irregularly shaped area in the center is labeled "RESERVED FOR THE CITY OF CHICAGO". The drawing includes various lines representing property boundaries, streets, and easements. There are also some handwritten notes and a scale bar at the bottom left.
