RE: Motion For Rehearing

Dear Green Acre Woodlands, Inc.

01/18/2022

On December 28, 2021 the Board of Adjustment received a Motion for Rehearing from Green Acres Woodlands, Inc., pursuant to NH RSA 677:2, requesting that the ZBA grant a rehearing of the application for Special Exception for an Earth Excavation Permit pursuant to NH RSA 155 E 4.

The Board reviewed the Motion on January 13<sup>th</sup>, 2022. The Motion for Rehearing is denied based on the Board's response to Paragraph(s) 1-22 upholding its previous decision that the applicant failed to satisfy the requisite of NH RSA 155, E, 4, Section III a), b), c) and d) as required under law. The Board also received an objection to the motion submitted by Orr and Reno's, Jeremy Eggleton on behalf of the resident's group referred to as the Munson Coalition Et, al. The minutes of the ZBA meeting and the document(s) incorporated by reference shall be sent separately. This concludes the Town of Hill's participation in this matter.

Best Regards,

Town of Hill Zoning Board of Adjustment
