Librarian Notes: The Mt. Washington Cog Pass has added new trains (not just 9:00 AM) due to the long-distance locations of participating libraries. Several of our passes have been used, 4 Observatory, 2 Cog, and 1 Auto Road. Lynn needs two checks for the Summer program by Friday June 27th. Lynn suggested that we prepay for the August Wildlife program. No reservations to date for the State Park pass. Lynn has heard that the 2025 NH funds from the ILMS will be available and valid through Sept. 2026.

New Business:

1. Trustees noticed that the painter's garbage bag has not been removed from under the library's front steps since last fall. This was mentioned to Lisa who will relay the message to make sure it is quickly disposed.
2. Frank followed up with Lisa regarding the estimated time frame to replace lights in the library. The town is upgrading to LED lights. A warrant article may be required due to the high cost for a full building upgrade.
3. Estimate received from Soot Busters to clean the library carpets. Estimate was reviewed and approved. Cleaning will commence on Monday June 30th. Selectman's secretary Lisa was notified.
