She mentioned the New Hampshire Library Trustee Association's upcoming Spring conference and Annual meeting with the suggestion that the board consider joining and taking advantage of offered events.

Old Business: No old business was discussed.

New Business:

Debbie suggested we discuss the bill HB273 which was introduced 01/08/2025 and Amended on 05/15/2025 with an effective date of 01/02/2026. This bill allows parents to access all of their minor child's library records. It modifies existing library confidentiality laws to explicitly require libraries to provide parents or legal guardians access to their minor child's library records, specifically for printed books and audio-visual materials like DVDs and CDs.

The Hill Public Library does not keep patron's borrowing record. It was decided to table this discussion until the March meeting when the concerns of how to adopt a circulation policy and procedure to comply with HB273 will be addressed.
